

Sewer and Water Committee Meeting Agenda 03/19/2014

Where: Township Office

When: 11:00A.M.

Discussion Points:

- >> Green Acres Road sewer project 7 options – Chris Holmes (UPEA)
- >> The setting of a maximum “cap” for reimbursement to people that can prove that their services were frozen under the adjacent county road.
- >> The costs for thawing water/sewer lines under the county road will remain in the respective water/sewer funds and not be drawn from the “general fund”.
- >> The resident who resides at 47825 McClellan St. sewer Freeze reimbursement request:
 - >> Review and update the TWP’s freeze up policy.
 - >> The F. Jackovich water spike for one month.
 - >> Discuss G. Stone’s on Lincoln Street water consumption after a frozen pipe break.

Bruce Petersen
Township Supervisor
