

Sewer and Water Committee Meeting Minutes

07/08/2014

Where: Township Office - 47240 Green Acres Road Houghton, MI

When: 10:00 A.M.

Who Present: Andrew Kemper, Peggy Anderson, & Bruce Petersen

Discussion Points:

- The water line servicing Portage Plaza is leaking above the hydrant. The existing owners of Portage Plaza have tendered an offer to assist with these repairs thru Francisco DeYcaza. The Committee discussed the history of the leak, that it is on private property, the leak might occur under a blacktopped area and the cost for the repair, if blacktop was involved, could be quite high. Called Francisco and he again offered to pay one half the repair costs.
- Ultimately, the Committee thought it would be best not to make a recommendation to the Bd. of Trustee concerning this issue but to invite Francisco to the Monday night meeting on July 14th. to state the case for the Plaza owner. Francisco was extended the invitation to speak and he accepted and will be put on the agenda..
